

THE WOLF OF WALL STREET

THE LUNCHTIME POWER SPOT WITH PANORAMIC VIEWS OF THE CITY. AT A CORNER TABLE, A PARANOID JORDAN LOOKS AROUND AS HANNA DOES ANOTHER BUMP OF COKE. NONE OF THE OTHER DINERS SEEM TO NOTICE OR CARE.

HANNAH

Tootski?

BELFORT

No, thanks though.

Hanna slips the vial into his pocket as HECTOR, the tuxedoed Maitre'D, approaches.

HECTOR

Mr. Hannah what can I bring you on this glorious afternoon?

Hanna surreptitiously palms Hector a \$100; Jordan notices.

HANNAH

Well hector here's the game plan. Your gonna bring us 2 absolute martinis. You know how I like them straight up. In precisely 7 and 1 half minutes after that your gonna bring us 2 more then 2 more after that every 5 minutes until one of us passes the fuck out!

HECTOR

Excellent strategy sir.

Hector heads off.

BELFORT

I'm good with my water for now thank you.

HANNAH

(to waiter)

Its his first day on wall street give him time. Thank you!

BELFORT

Thank you. Mr. Hannah your able to do drugs during the day and still function to do your job?

HANNAH

How the fuck else would you do this job? Cocaine and hookers my friend.

Belfort smiles, not sure if Hanna is kidding.

BELFORT

Right. Well I gotta say I'm incredibly excited to be a part of your firm I mean that, the clients you have are..

HANNAH

Fuck the clients. Your only responsibility is to put meat on the table. You gotta girlfriend?

BELFORT

I'm married. I have a wife her name is Teresa she cuts hair.

Hannah swallows a comment about that. Gets to business.

HANNAH

Congratulations.

BELFORT

Thank you.

HANNAH

Think about Teresa. Name of the game-move the money from your clients pocket into your pocket.

BELFORT

Right but if you can make your clients money at the same time its advantageous for everyone am I correct?

HANNAH

No. Number one rule of wall street, nobody I don't care if your warren buffet or if your jimmy buffet nobody knows if the stock is gonna go up, down, sideways, or in fucking circles. At least of all stock brokers. It's all a fugozi, you know what a fugozi is?

BELFORT

Fugazi, its all fake.

HANNAH

Hey fugazi fugezi its no matter its not on the periodic table of fucking elements. It's not fucking real. Right?

BELFORT

Right.

HANNAH

Stay with me. We don't create shit. We don't build anything. so if you got a client who bought stock at 8 and now its at 16 and he's all fuckin happy he wants to cash in, liquidate, take his fucking money and run home, ya don't let him do that, cause that would make it real.

BELFORT

Right.

HANNAH

What do you do? You get another brilliant idea. a special idea. another situation another stock to reinvest his earnings and then some. And he will every single time cause they're fucking addicted. And then you just keep doing this again and again and again. Meanwhile he thinks he's getting shit rich, which he is, on paper, but you and me the brokers we're takin home cold hard cash via commission motherfucker.

BELFORT

Right, that's incredible sir. I can't tell you how excited I am.

HANNAH

You should be. there's 2 keys to success in the broker business. first of all. You gotta stay relaxed.

BELFORT

Yeah.

HANNAH

You jerk-off?

BELFORT

Do I jerk-off? Yeah, yeah I jerk off yeah.

HANNAH

How many times a week?

BELFORT

Like three or four times.

HANNAH

Well pump those numbers up. Those are rookie numbers in this racket. I myself jerk off at least twice a day.

BELFORT

Wow.

HANNAH

Once in the morning right after I work out then once after lunch.!

BELFORT

Really?

HANNAH

I want to. That's not why I do it. I do it because I fucking need to. think about it. Your dealing with numbers all day long decimal points, high frequencies, bang bang bang, digits, all very acidic above the shoulders mustard shit. Right it can kinda wig people out. You gotta feed the geese to keep the blood flowing. Keep the rhythm below the belt.

BELFORT

I don't want to implode sir.

HANNAH

No, no you don't.

BELFORT

I'm in it for the long run ya know?

HANNAH

Yes implosions are ugly.

BELFORT

Yeah.

HANNAH

Pop off to the bathroom. Work one off anytime you can and when you get really good at it, you'll fuckin be strokin it and you'll be thinking about money.

(MORE)

HANNAH (CONT'D)

Second key to success, in this racket is this little baby right here its called cocaine.

BELFORT

Right.

HANNAH

It will keep you sharp between the ears. It'll also help your fingers dial faster and guess what that's good for me.

Hector appears with Hannah's martini and places it on the table in front of him.

HANNAH (CONT'D)

(to waiter then Belfort)

Yes sir. Revolutions ya follow?

BELFORT

Revolutions...

HANNAH

Keep the clients on the Ferris - Wheel. And it goes. The park is open 24-7 365 every decade every goddam century. That's it. That's the name of the game.
