

America's Sweethearts

Kiki:
Black or white?

Gwen:
White. And those glasses. Who wears frames that big anymore? He looks like a bug, ugh. I just want this week to be over. I mean why can't the world accept the fact that I don't wanna be with Eddie anymore? I just wanna scream at people "Get a life!" I want this week to be over, is it over?

Kiki:
Almost, push.

Gwen:
Oww! Kiki.

Kiki:
I'm Sorry

Gwen:
I smell smoke, is somebody smoking?

Kiki:
I don't know

Gwen:
It's probably Larry! I mean how many heart attacks has that guy had, huh?

Kiki:
It's probably 6 maybe 7, I don't know...

Gwen:
Can we just go? I don't wanna be here anymore. Those are beautiful.

Kiki:
Listen, we got a call from Lee today.

Gwen:
Who's Lee?

Kiki:
The publicist from the studio, you remember him.

Gwen:
I do?

Kiki:
Remember when you were doing Letterman, you got upset because they bumped
your show off the air because the Gulf War?

Gwen:
Yeh

Kiki:
Well he was there. He got you that English Toffee.

Gwen:
Oh, I remember the English Toffee, that was great toffee.

Kiki:
Ok well we'll get you some of that English Toffee when you meet with him
because he wants to talk to you about the junket.

Gwen:
Oh God, do I have to?

Kiki:
Meet with him? Yes you have to.

Gwen:
It's just not fair, there's all this pressure on me and there's none whatsoever on
Eddie, is there? He's probably off somewhere having the time of his life.
