INT – SCHOOL – DAY - COUNSELOR GRIFFITH'S OFFICE – *Olive enters*

MRS. GRIFFITH

Oh, God! Oh, God! What? What do you want? What do you want? Just go!

Smashes picture of her husband and herself.

MRS. GRIFFITH (CONT'D)

Perfect! Just perfect!

OLIVE

I'm sorry... I was just looking for Marianne. Did she say anything about being mad at me because she just smacked the bejesus out of me.

MRS. GRIFFITH

No, that was my fault. I'm so sorry, Olive. I'm sorry, but I messed up. I just goddamn, shit, goddamn messed up really goddamn shit bad! Goddamn, shit, goddamn!

OLIVE

Ok, don't get me wrong, because I love it, but I don't think you're supposed to use that kind of language in front of a student.

MRS. GRIFFITH

Yeah, you know what else you're not supposed to do? Is sleep with them! But that didn't stop me... goddamn shit.

OLIVE

Wait! Oh my god! I'm not judging you or anything, but oh my god! I... Wait, what does that have to do with me?

MRS. GRIFFITH

Because you know... you should know that my marriage is not great. We haven't slept together in like months, MONTHS, alright! So finally this great-looking guy comes in, and he's nice to me, you know? And he's not a minor, this is legal. It's legal because he's been here forever, ok? He's not the sharpest Christian in the Bible, alright? And then they find out he has Chlamydia. So then he's telling everybody that it was you. He has to say that 'cause he didn't want me to lose my job, and he doesn't want to get in trouble either. So, he said it's you. I'm sorry. But I'm going to fix it, Olive, ok? I'll tell everyone... I'm going to tell everyone that it's me, ok? I'll just lose my job and you know whatever else I lose, and then that's ok.

OLIVE

I could have Chlamydia. I mean, I could have easily given it to Micah, I mean who knows? Women often times don't show symptoms, and the whole world knows I've been whoring around.

MRS. GRIFFITH (cutting her off)

No you haven't. No you haven't because a REAL whore can't admit it to herself much less others. Trust me.

OLIVE

Call Micah. Tell him he is an ass and he owes me so big for this. But also tell him I confessed to giving him Chlamydia.

They hug.

OLIVE (CONT'D)

I've kinda been getting a lot of hugs today.
