

EASY A

Rhiannon

Please tell me the rumors are true!

Olive

Yes, yes I am a big fat slut.

Rhiannon

No no not that one. The one where you got suspended for calling Nina Howell a dick and then punched her in the left tit.

Olive

I worry about the way information circulates at this school.
Ri, I need to tell you something.

Rhiannon

Like the exact moment you turned into such a badass? I think I'm in love with you.

Olive

Okay...

Rhiannon

Tell me you left a mark on that scrunched up face of hers!

Olive

It's not true.

Rhiannon

It wasn't the left tit? It was the right one? I always pegged you for a south paw!

Olive

Can you listen to me for one second please? OK, it didn't happen.

Rhiannon

Oh, yeah, right. Your secret's safe with me you little sex monkey!
So you hear any word from George?

Olive

Nope. I told you that was a one night stand,
which is now over.

Rhiannon

You know you're being pretty cavalier about this.
Aren't you supposed to be like eternally in love with him and shit?

Olive

Yes, I believe so. If i was a gossip girl in Sweet Valley of the
Traveling Pants. But uh, no I'm not, so I could really care less.

Rhiannon

OK, so Randy Carter was telling Vanessa Hodges that
you were with 3 guys in a jacuzzi.

Olive

Sounds like a lot of work. I guess thats still better
than getting it on with some old dude.

Rhiannon

EW! Who said that?

Olive

Do you know that Brandon kid?
That's what somebody told him.

Rhiannon

Isn't he a homo?

Olive

yeah.

-Olive receives a call from Brandon.

Olive

Speak of the devil! I was just talking about you with my friend Rhiannon.
You know Rhiannon, she's perpetually angry, curses like a sailor,
bit. Yeah, that's the one!

Rhiannon

What bit?! I want to know what bit is!

Olive

Yeah, uh huh.

-Olive hangs up with Brandon

Rhiannon

What is bit? Bedazzling personality? Beautiful soul?

Olive

Big tits.

Rhiannon

That's my identifier?

Olive

Mhmm

Rhiannon

YES!

Olive

Alright, well that was Brandon.
He wants to talk to me about something.

Rhiannon

He probably wants to borrow an outfit

Olive

Whatever Big Tits.

Rhiannon

Yeah! WooHoo! Big Tits!
