

## RACHEL GETTING MARRIED

KYM

Rachel... Rachel!

Thank you for abandoning me. I had to take a taxi.

RACHEL

Are you kidding me?

KYM

Would you stop?

RACHEL

Don't touch me.

KYM

Don't you think that his perspective might be a little skewed?

RACHEL

I never had anorexia. You sure as hell didn't watch over me while I was sleeping, and we don't have a goddamned pedophile uncle!

KYM

- That we know of! -

RACHEL

-THAT MADE OUR CHILDHOOD A LIVING HELL AND

EXPLAINS AWAY ALL OF YOUR SHIT IN ONE FELL SWOOP!..

Did you tell them that Dad forced us into a life of prostitution while you were at it?

KYM

Ew... Wait...

I wasn't hurting anybody. No one got hurt, Rach.

RACHEL

I'm hurt!

KYM

Why would anything I said or didn't say at the hospital hurt you? It wasn't about you!

RACHEL

Why not? Why wasn't it about me?

I was hopeful. I was on your side. I still am. Do you have any idea what that means? Do you have any idea how lonely it was with everybody gone into your terrible world? There was nothing left. Everybody was just empty. You think they remembered I was alive or needed anything during your... life? And after all that loneliness and Mom and Dad blaming each other and worrying and death and divorce and that stupid hopefulness and Dad not even being able to listen to music, you were in the hospital, lying about us! Instead of telling the truth about yourself!

KYM

God, Rachel...

RACHEL

Apparently you have a whole history of sexual molestation.

KYM

Oh Jesus Christ. It was a long time ago!

RACHEL

Were you?

KYM

No!

RACHEL

Why in god's name would you say something like that?

KYM

It was anonymous! It seems like a good idea at the time.

RACHEL

After Ethan died I wanted you to get better or just die...

KYM

Nice, Rachel. Thank you.

RACHEL

You were lying and you didn't give a shit about the rest of us. Recovery can't work if you lie. You know that. I was worthless to you. We all meant nothing to you.

KYM

You're not worthless. You're my sister. I love you guys. I need you guys, but you don't get to sit around for the rest of my life deciding what I'm supposed to be like. You weren't there. You weren't inside my head when I was fucked up and you're certainly not there now. You haven't got a clue what I feel.

RACHEL

Kym, you took Ethan for granted. You were high for his life. You were not present for his life. You were high. He was like a pet to you. You drove him off the bridge. And now he's dead.

KYM

Yes! I was stoned out of my mind! Jesus Christ, who do I have to be now? Mother Theresa? Did I use up all the love I'm allowed for this lifetime because I killed our little brother?

I'm sorry! I'm sorry, okay? I'm sorry!
