INEZ

Look down there.

WANDA

I can't.

INEZ

Yes, you can, just take your time. We'll just push the hold button. Now, look down there. Wanda, it's important. Look. There you go.

WANDA

It's so far down.

INEZ

Yes, so far down. See all those little insect people down there?

WANDA

So small.

INEZ

Hundreds of men down there. Men of all races. Men from all over. Hundred of men.

WANDA

There are women there too.

INEZ

We don't care about the women. Just the men. And there's hundreds of them.

WANDA

And not one wants me.

INEZ

Wrong. Look again Wanda.

WANDA

I see them Inez.

INEZ

Now did you do like I told you?

WANDA

Yes.

INEZ

You're not wearing any underwear, and no pantyhose, right?

WANDA

No. I'm not, but I think that's the scariest thing I ever heard of. I was afraid to sit down on the subway.

WANDA (CONT'D)

Going around in a skirt without panties on- I think you're making a fool out of me.

INEZ

I'm not wearing any either.

WANDA

Maybe you are and maybe you aren't.

INEZ

I'll show you.

WANDA

I believe you Inez, goodness.

INEZ

Now look down at those men down there, Wanda. What are they doing?

WANDA

They're going about their jobs, going to work, going to stores. I don't know what all of them are doing, just waiting around.

INEZ

No, Wanda.

WANDA

What are they doing?

INEZ

They're slowing down, Wanda. They're barely moving, almost at a stand still. Do you know why?

WANDA

They're waiting for the light to change?

INEZ

No, Wanda. They're looking up our dresses.

WANDA

(grabbing and tucking)

They're what?

INEZ

They're looking up our dresses. That's why we didn't wear any underwear.

WANDA

That's dirty, Inez.

INEZ

It's life, Wanda.

WANDA

They can't see anything this far up.

INEZ

Wrong, Wanda. When men are looking up women's dresses, their eyes are like those of an eagle.

WANDA

Oh, for goodness sake.

INEZ

They are. Stand a little closer to the glass, Wanda. Lift your skirt a little, spread your legs. Let them see all the way up your dress.

WANDA

I most certainly will not! Lord know what kind of men are down there.

INEZ

All kinds of men. All kinds of men from all over the world. The rich, the poor, the religious, the infidels. The lovers, the haters, they're all there, and now (She stands and lifts her dress) they are all looking up my dress.

WANDA

You'll get us arrested!

INEZ

By the police? They're looking too! They're all looking up my dress, adoring me. Lift your skirt Wanda, let them see your power.

WANDA

It's against the law.

INEZ

We're not exposing ourselves, Wanda. We've got dresses on. It's not our fault if they want to look.

WANDA

It's nasty.

INEZ

No, its life! It's eternity!

WANDA

It's ridiculous.

INEZ

Don't you want to feel good about yourself? Don't you want to feel like a worthy human being? Don't you want the power?

WANDA

I don't think of my nana as power.

INEZ

That's a big mistake Wanda, cause it is. It's the most powerful thing in the world. Come on, Wanda. Let them see your power.

WANDA

I feel like a fool.

INEZ

You'll learn to love it. It's just the two of us Wanda.

WANDA

(weakening)

Inez-

INEZ

Step up, tilt your skirt. Try it Wanda, please. You won't regret it.

WANDA

(gingerly)

Alright.

INEZ

Just stand there. Think of all those men from all over. Close your eyes and see them. Men from all over America. There are Japanese, Chinese, Englishman, Irishman, - Maybe even Outer Mongolians. All those men from all over the world pass along the street, and Wanda, they're all looking. They're looking and they see where they were created. They see and they long for the place where they began. Feel their gaze.

WANDA

I do and I'm not sure I like it.

INEZ

They're adoring us, Wanda. (Her fervor is getting very high) Adoring us, we are the thing in which all humankind is created. We possess the cauldron. We are the survival of the species. We are the house of creation, the temple of God, the instrument of the goddess. We are all of that Wanda. Feel them look, feel them adore, feel them desire. Take pity on them. Let their gaze xxxx to xxx your body.

WANDA

I'm feeling very warm, Inez.

INEZ

It's the power. The power. The energy. Wars have been fought over us. All things that exist come from us.

INEZ (CONT'D)

The power is surging. Let it fill your body. Feel it Wanda. You are the power. They adore you. Say it, Wanda. Say, "I am the power." Come on, Wanda.

WANDA

I am the power.

INEZ

Humankind springs from me.

WANDA

Humankind springs from me.

INEZ

Creation occurs inside me.

WANDA

Creation occurs inside me.

INEZ

I am woman! All powerful.

WANDA

I am an all powerful woman. You're right Inez. They are looking. I can feel it. They want me. They want me BAD AND I LOVE IT. DID YOU HEAR ME INEZ? I LOVE IT. LOVE LOVE LOVE IT. LOOK AT ME ALL YOU PUNY LITTLE MEN. LOOK AT ME AND LOVE ME. SEE MY NANA. SEE MY NANA AND SHAKE WITH DESIRE. YES, YES, YES, YES.

INEZ

You don't want to overdo it Wanda.

WANDA

LOVE ME. LOVE ME. DO YOU HEAR ME? LOVE ME. I AM THE POWER. I AM THE GLORY. FALL ON YOUR KNEES AND WORSHIP ME. I FEEL YOUR DESIRE RISING UPWARD. RISING UPWARD AND I AM READY FOR IT. I AM WANDA THE WONDERFUL.

INEZ

(frightened)

Wanda, the elevator's beginning to shake.

WANDA

CAN'T YOU FEEL IT INEZ? CAN'T YOU FEEL THEIR DESIRE? FEEL IT PENETRATE!

INEZ

Wanda! Wanda! You've got to get a hold of yourself!

WANDA

Oh, yes, yes yes yes yes yes yes yes! Ohhhhhhhhhhhhh!

INEZ

Wanda!

WANDA

What Inez?

INEZ

Calm down. That's enough.

WANDA

Just a little more. I was really depressed.

INEZ

I know you were. But there's a limit to what they can take.

WANDA

Inez, I am the instrument of creation.

INEZ

That's what I've been trying to tell you.

WANDA

All power springs from me.

INEZ

Yes, and remember Wanda whenever you get blue or down, you can always come up here & take a ride in the glass elevator.

WANDA

It's better than any shrink Inez.

INEZ

And it won't go away for a long time. You're going to feel great for the next week or more.

WANDA

You think so?

INEZ

I know it. Every time I come here & get recharged, men won't leave me alone for days!

WANDA

I'm ready.

INEZ

We'd better get going, Wanda.

WANDA

Inez, do you think we could do one more charge up as the elevator goes down?

INEZ

Couldn't do any harm, but don't get too carried away, Wanda.

WANDA

I won't Inez. I want to thank you for this.

INEZ

Don't mention it Wanda.

They hold their dresses out as they
descend & we hear "Amazing Grace."
